

We are going Straw Free

Completing this form will sign you up to the Final Straw Cornwall campaign. The purpose of this campaign is to make Cornwall the first Plastic Straw Free county in the UK. Giving up plastic straws is a commitment from your business to take a responsible and considered approach to single use plastic.

Stopping using single use plastic will entitle you to a window sticker, a place on our map and support with your PR and marketing efforts with this campaign where we can.

I'D LIKE TO SIGN MY BUSINESS UP TO THE FINAL STRAW CORNWALL
